

Nordhs Borstfabrik AB becomes NORDHS-KOTI

Dear Relationship / Visitor,

We are pleased to inform you of the new developments within the **KOTI Group**.

KOTI Industrieel en Technisch Borstelwerk BV is a family owned business that has been your trusted partner for industrial and technical brushing solutions for over 55 years.

As of March 26, 2020, **KOTI Group** has acquired **Nordhs Borstfabrik AB**, a family owned business that has an impressive history of manufacturing high-quality brushes for road sweeping and cleaning solutions. From now on Nordhs Borstfabrik AB will continue under the name **NORDHS-KOTI AB**. The company will remain in Norrköping and will be expanded to produce almost all industrial & technical brushes and sweeping & cleaning brushes.

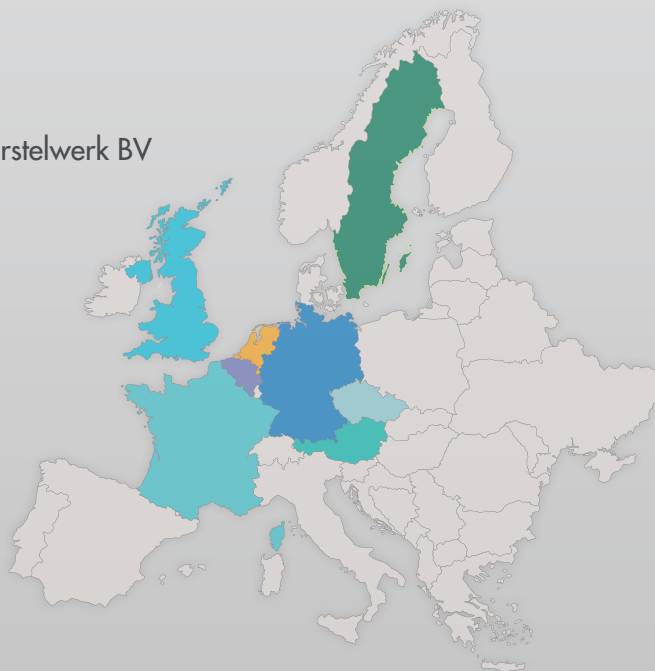

Both companies value great importance to innovation, which means that we are able to offer our customers the best possible solutions. We are therefore delighted to be able to take care of **NORDHS-KOTI** and expand our knowledge, product range and market. Due to the synergy of both companies, it will become one of the strongest and most advanced brush companies in Scandinavia. A company with added value that is not just a supplier but a company that is looking for solutions within the production process. In addition to the familiar Nordhs product range, It is possible to contact **NORDHS-KOTI** for all your industrial and technical brushes.

The **KOTI Group** now employs a total workforce of approximately 750 people, covering our 14 branches. Our headquarters with production facilities is in Weert (the Netherlands). Together with 11 autonomous production facilities and 3 sales offices the group is complete. This enables us to offer our customers a professional and efficient service. Our corporate policy focuses on both service and sustainable business relations / striving for reliability.

Sincerely,

KOTI Industrieel en Technisch Borstelwerk BV
